SITUATION

Lympstone is a highly regarded and sought-after Exe Estuary village offering an excellent range of local facilities including a Sailing Club, Tennis Club, four welcoming Pubs, Tea Rooms, Village Hall, Shop, Post Office, Primary and Pre-Schooling, and an Independent Preparatory School. The village is also home to the renowned Michelin-starred Lympstone Manor, owned by celebrated chef Michael Caines. Set directly on the Exe Estuary Trail, Lympstone enjoys superb access to scenic walking and cycling routes linking Exmouth, Exeter, and Dawlish.

The coastal resort of Exmouth, the most westerly part of the Jurassic Coast World Heritage Site, is within 3 miles and provides an extensive range of facilities and schools along with two miles of glorious sandy beach, marina and water sports centre. Breath taking Dartmoor National Park is within half an hour and the Cathedral City of Exeter is an easy commute just 8 miles to the west of Lympstone and offers a wide range of facilities, together with Independent schools, a Sixth Form College, Russell Group University and rail links on the Paddington and Waterloo lines, access to the M5 at Junction 30 and Exeter International Airport.

DESCRIPTION

The Old Dairy is a charming and characterful link-detached (attached to a garage) property that has undergone extensive refurbishment by the current owners to create a superb and versatile family home. Set in just under an acre, the property includes an adjoining meadow with a delightful westerly aspect to the rear, making it both a wonderful lifestyle opportunity and a flexible residence for modern living. The property offers excellent adaptability for multi-generational living or income potential, with the adjacent Byre Cottage ideal for use as an Airbnb, holiday let, or long-term rental.

The main house offers light and spacious flexible accommodation and the room proportions are particularly worthy of note. The first-floor bedrooms are large enough for subdivision if required, subject to the necessary consent. There is a separate two-bedroom cottage adjacent to the main house making the property ideally suited for multi-generational living, or alternatively offering a worthwhile income through being let as holiday accommodation or on a shorthold tenancy. The property is accessed by a private driveway and enjoys an enviable degree of privacy. To the rear lies the westerly facing garden and meadow whilst to the front there is a large courtyard providing ample parking for several vehicles, boat/caravan storage and large double garage with EV Charging point and adjoining workshop. The owners currently run a successful Bed & Breakfast business in the main house whilst the Cottage provides additional income as a self-catering holiday let.

The kitchen is dual aspect with patio doors leading into the garden and fitted with an extensive range of wall and base units with oak worksurfaces and central island unit, along with appliances. A large utility room with space for laundry appliances leads off the kitchen.

On the first floor the light and airy landing with windows overlooking the meadow and far reaching views leads to the bedrooms. The principal bedroom is dual aspect and enjoys a beautiful outlook over the garden and surrounding farmland. There is a separate, adjoining relaxing sitting area which would also serve well as a dressing area. The spacious en suite bathroom leads to the fifth bedroom, with window to the front, which can also be accessed from the landing. Bedroom 2 and Bedroom 3 both spacious, light and airy rooms with en-suite bathrooms and windows to the front, are also accessed from the landing.

THE MAIN HOUSE

A covered entrance opens into a welcoming reception hall, providing access to the principal living accommodation. Double doors lead into a delightful sun room overlooking the garden. The impressive sitting room enjoys a triple aspect and features a large inglenook fireplace with a Villager wood-burning stove. The dining room is generously sized, with a window to the front, and a ground-floor bedroom/home office also overlooks the front courtyard, providing excellent flexibility. The dual aspect kitchen is fitted with an extensive range of wall and base units topped with oak worksurfaces and a central island, with patio doors opening to the garden. The Rangemaster cooker and Villager wood-burning stove are excluded from the sale but may be available by separate negotiation. A large utility room with space for laundry appliances leads off the kitchen. Upstairs, a light and airy landing enjoys views over the meadow and surrounding countryside. The principal bedroom is dual aspect, with a beautiful outlook over the garden and farmland, and features an adjoining relaxing sitting/dressing area. The spacious en suite bathroom also connects to Bedroom 5, which can be accessed from both the en suite and the landing. Bedrooms 2 and 3 are both generous double rooms, each with en suite facilities and windows to the front.

BYRE COTTAGE

Situated opposite the main house, Byre Cottage is approached via a small courtyard. The cottage features a superb 25' reception room with stairs leading to the first floor. Steps lead through to a kitchen fitted with a range of units and appliances, and a ground-floor shower room with Velux window. Upstairs there are two generous bedrooms, one with fitted wardrobes, and a cloakroom. Ideal for extended family, guest accommodation, or income generation via holiday letting or long-term rental. EPC: D.

THE GROUNDS

The gardens are a particularly attractive feature of The Old Dairy. A private driveway leads to a courtyard with ample parking and access to the double garage/workshop with EV charging point. To the rear, a beautiful west-facing patio provides a superb spot for outdoor dining, with planted borders and a level lawn. Over recent years, the owners have extended the grounds to include a stunning wildlife garden, featuring newly planted native hedgerows, a copse, meadow, wildlife pond, and orchard. The wildlife garden and pond are now well established, having been put in three years ago. There is also a productive garden area with a large shed (light and power connected) and a rainwater harvesting system. Two large, level terraces offer excellent potential for the addition of a summer house or shepherd's hut, subject to planning consent.
