QUEENS ROAD WEYBRIDGE, KT13

ASKING PRICE: £425,000

A particularly spacious three-bedroom split-level apartment with its own private entrance, garage and private terrace, offering more internal space than many houses locally and positioned moments from Weybridge High Street. Arranged over two floors, the property is centred around an impressive open-plan kitchen, living and dining space with excellent natural light and generous proportions, creating a superb everyday living.

The kitchen is well laid out and flows naturally into the reception space, giving the apartment a real sense of volume rarely found in flats. Upstairs, there are three well-balanced bedrooms alongside a family bathroom, all accessed from a wide and welcoming hallway that enhances the overall feeling of space throughout the home. A small private terrace provides somewhere to sit out, while the added benefit of no apartment above further strengthens the sense of privacy. With its own front door, garage and over 1,050 sq ft of accommodation, this is a rare opportunity to secure a home that combines the practicality of a house with the convenience of apartment living.

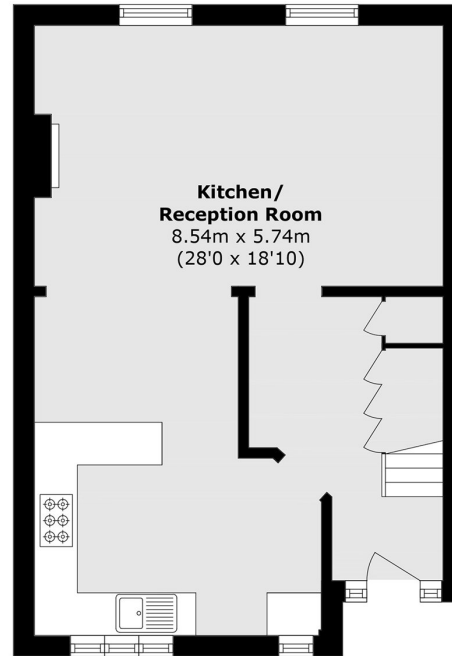

Ideally positioned close to Weybridge High Street, the property enjoys easy access to a wide range of shops, cafés, restaurants and everyday amenities. Weybridge mainline station is also within reach, offering regular services to London Waterloo, while nearby parks, riverside walks and road links including the A3 and M25 make the location particularly convenient for both commuters and families.
