

**17 Lunedale Avenue, Blackpool,
FY1 6LL**

£155,000

This mid-garden terraced house offers far more accommodation than first meets the eye, having been extended to both the rear and into the loft space to create a surprisingly spacious family home.

The first floor provides THREE bedrooms and a modern family bathroom, whilst the large LOFT ROOM offers valuable additional space, ideal as a home office, hobbies room or occasional guest accommodation.

To the ground floor are TWO reception rooms, a stylish fitted kitchen, separate utility room and a second shower room, providing excellent flexibility for modern family living.

Externally, there are extensive rear gardens approximately 80ft long. At the bottom of the garden is a summer house with its own WC, making it ideal as a home office, studio, games room or entertaining space.

A superb home offering significantly more space and versatility than its appearance would suggest.
