## THE PROPERTY

Holly House presents a rare opportunity to acquire an exceptional Georgian house positioned in the heart of Bridport. Built in the 1800s, this distinguished Grade II Listed property combines historic appeal with everyday practicality, offering both a double garage and private parking—an uncommon advantage in such a central location.

Constructed of brick under a tiled roof with traditional wooden sash windows, the house has been well maintained to preserve its period character. Inside, the accommodation unfolds across generously proportioned rooms, including three reception rooms and five bedrooms. High ceilings, large sash windows, and a wealth of original features create bright and spacious interiors, equally suited to family life and entertaining. Arranged over three floors, the layout provides flexible living, with ample space for shared family areas as well as more private rooms, making it ideal for modern family life.

With its combination of scale, character, and central location, Holly House is a property of real distinction. Just a short stroll from Bridport's shops, cafés, restaurants, schools, and cultural venues, it offers a lifestyle of rare convenience, enabling easy access to everyday amenities without reliance on a car.

## OUTSIDE

The walled gardens are generous for a town-centre property, mainly laid to lawn with mature fruit trees, established shrubs, and a terrace perfect for outdoor dining and entertaining. To the side of the house is a driveway that comfortably accommodates one car, or potentially two smaller vehicles in tandem. There is a double garage for storage and parking inside. It is possible to park outside the garages for the purpose of washing the car only. i.e you cannot leave a car outside the garages.
