Property

Stepping through the front door of Corner Cottage, the original character and surprising proportions are instantly apparent. The sitting room welcomes us into the property, where two large windows fill the space with light and enjoy the views toward the village green. A brick fireplace houses the multi-fuel stove, which powers the heating system throughout the home. Exposed beams and timber-effect flooring add to the original feel of the home, whilst our stairs rise to the first floor. Stepping to the rear we enter the kitchen/dining room. A second impressive space that offers an extensive range of wall and base units that contrast against the tiled flooring, the kitchen is fitted with a dishwasher, double oven, hob and extractor, whilst space for the fridge freezer and washing machine are found. Two windows look through the conservatory and lobby area to the gardens and ample space is made for family dining and entertaining. Stepping through the timber door at the side, we pass the lobby area and step into the conservatory. This generous room provides a superb addition to the space and offers the perfect spot to enjoy the garden throughout the year. Practical tiled flooring lines the room, and French doors open to the covered seating area and patio. Back in the sitting room, we climb the stairs to the first-floor landing. Here we are met by the single bedroom and the first double room. The single bedroom currently serves as an office for our vendor and enjoys the views over the green. The double bedroom is set to the rear and looks onto the garden. The landing continues to the shower room, main bedroom and large airing cupboard. The shower room has been recently refitted, providing a double-width walk-in shower, w/c and wash basin set against attractive tiled walls. Completing the accommodation, the main bedroom again enjoys the views to the front aspect and offers a comfortable double room with a wrought iron feature fireplace.

Outside

The property is situated on the Junction of The Street and Station Road, enjoying a view over the village green and just a few steps from the well-regarded Earsham Queen, a popular village pub. The front door directly accesses the property from the pavement, whilst to the side we find double gates which open to the garden. The garden enjoys covered seating leading from the conservatory, which opens to the extensive patio. An area of lawn is currently enclosed by picket fencing, where a raised timber deck provides further seating, and a shingle border has raised planters. A timber garage/workshop is set to the front boundary and has power and light, whilst the large double gates allow you to access with a vehicle, the pavement is shallow and no official drop kerb is in place.
