Silverdale Brook Lane, Clowne Chesterfield

A bright and well-balanced bungalow offering flexible living, with spacious ground-floor rooms, two further first-floor bedrooms and easy-care gardens front and rear. A practical layout, generous natural light and low-maintenance outdoor space make it ideal for a wide range of buyers.

Driveway And Front Yard

The property is introduced by a smart, well-kept front garden that frames the home beautifully from the roadside. A neat stretch of lawn softens the approach, bordered by established planting that adds colour and texture through the seasons. The driveway provides a clean, practical sweep up to the house, offering ample parking while still allowing the greenery to take centre stage. Together, the lawn, planting, and tidy boundaries create an inviting first impression—one that feels both cared-for and instantly welcoming.

Hall

The central hall links the ground floor seamlessly, offering a sense of flow and clarity to the layout. It provides access to the main living areas and leads naturally to the staircase rising to the first floor.

Living Room

A welcoming front living room that immediately sets the tone for the home. Its generous footprint allows for a full suite of seating, while the broad window draws in natural light throughout the day. It's the kind of space that feels instantly comfortable—ideal for relaxed evenings or hosting friends.

Kitchen

Compact yet efficient, the kitchen is arranged to maximise workspace and storage. With room for modern cabinetry and appliances, it's a practical hub that keeps everything within easy reach. A bright, workable space that suits both everyday cooking and weekend baking sessions.

Dining Room

Flowing naturally from the living room, the dining room offers a well-balanced space for family meals or more formal entertaining. Its proportions make it

easy to zone for dining while still feeling connected to the rest of the home, creating a sociable heart to the layout.

Bedroom 1

A spacious ground-floor principal bedroom offering a peaceful retreat away from the main living areas. Its generous size accommodates a king-size bed, wardrobes, and additional furnishings with ease, creating a calm, restful atmosphere.

En-Suite

Serving Bedroom 1, the en-suite provides added privacy and convenience. Its layout supports a modern shower suite, with space for storage and contemporary finishes to create a fresh, hotel-style feel.

Bedroom 4

A versatile fourth bedroom on the ground floor, ideal as a guest room, home office, hobby space, or even a snug. Its proportions make it easy to adapt to changing needs while still feeling comfortable and inviting.

Stairway/Landing

The staircase rises neatly from the hallway, leading to a bright landing that connects the first-floor rooms. It offers a natural pause point between levels and adds to the home's sense of flow.

Bedroom 2

A well-sized double bedroom with a balanced layout that makes furnishing simple. It's perfect for guests, older children, or as a generous workspace, offering both comfort and flexibility.

Bedroom 3

Another generously sized bedroom that would work

beautifully as a guest room, nursery, study, or creative space. Its neat proportions make it easy to personalise while still feeling open and welcoming.

Bathroom

A thoughtfully arranged family bathroom serving the first floor. With space for a full suite, it offers practicality and comfort, with room for modern finishes and storage solutions.

Rear Garden

A rear garden like this really benefits from a description that captures its clean, low-maintenance layout and the sense of privacy created by the fencing and boundaries. This version gives you a polished, brochure-ready narrative that aligns with the photos you're reviewing.
