BRIEF DESCRIPTION

The sale of Bodwannick Manor Farm presents a tremendous opportunity to purchase a fine, substantial period and character house of some 3,115 sq ft which is not listed as a Building of Special Architectural or Historic Interest. Although a partially overhauled roof and new windows were installed in 2017, the house is in need of complete updating and renovation to present a wonderful family country residence as well as a pair of traditional stone barns which offer potential for conversion to provide additional accommodation if desired (subject to all necessary consents and approvals) all set with a courtyard, attractive walled garden and mature tree standard grounds.

In total, Bodwannick Manor Farm extends to about two thirds of an acre.

THE HOUSE

On the ground floor is an Entrance Hallway with Victorian pattern tiled floor, Sitting Room, Family Room with slate floor, main Reception Room with wide fireplace and inset bread oven, Inner Hall with slate floor with Sun Room off. Off the Inner Hallway is an old farmhouse Kitchen and Dining Room with an adjacent old Dairy with slate flagstone floor. On the first floor, around a part balustrade central Landing are a total of 6 Bedrooms, Shower Room and Bathroom.

THE WALLED GARDEN

To the south and east of the house are Wall Enclosed Gardens laid mainly to lawn with flower and shrub borders. On the north-eastern side a stone and slate pathway runs up around a garden pond and rockery with beyond a granite pillared stone and slate covered Seating Area. Situated within the walled garden is a Celtic Cross Scheduled Monument.

THE COURTYARD AND TRADITIONAL BARN

To the rear of the house is a central courtyard offering expansive car parking and turning for a number of vehicles and off which are a pair of traditional stone Barns each of which offer potential for conversion (subject to all necessary consents and approvals). Within the barn on the western side of the courtyard is a Workshop with internal inspection pit.

THE MATURE GROUNDS

To the west and south-west of the courtyard are attractive mature traditional grounds with indigenous tree standards, coniferous trees and an open area of lawn.
