SITUATION

The property is situated off Rectory Road in the thriving community of St Stephen. Indeed, the village includes a village school, post office, public house, fish and chip shop, take away Chinese restaurant, hairdressers, primary school, secondary school, church, surgery, playing fields, village hall, garages, bowling green and recreational facilities.

These are supplemented further by the town of St Austell about 5 miles to the east and the cathedral city of Truro about 12 miles to the southwest being the commercial and retail centre of Cornwall. There is a railway station on the London Paddington line at St Austell and a junction to the A30(T) about 5 miles to the north.

DESCRIPTION

The approach to Coach House is via a stone pillared vehicular opening to a level tarmac drive for a number of vehicles. The accommodation is well-presented and as shown on the attached floor plan is deceptively spacious.

On the ground floor, a part opaque glazed uPVC front door with matching opaque side light opens to a Reception Hall with balustrade stairs off to first floor and doors off to the Dining Room and Living Room and access through to a rear Hallway.

The Living Room is a particularly well-proportioned room with wood-burner set on stone hearth and full height double-glazed doors to the outside garden, and the Dining Room is a delightful double aspect room with full length glazed doors to outside, fitted bookshelving and opening through to the Kitchen.

The Kitchen with tiled floor and pitched ceiling with velux window comprises a matching range of Shaker style kitchen units with worktops to splashback tiling and with single drainer sink unit with vegetable bowl and mixer tap, electric range style oven with electric rings to extractor hood over, dishwasher, larder cupboard, space and plumbing for washing machine, space for freestanding refrigerator freezer, dishwasher and matching island unit.

Off the Kitchen is a door through to a Rear Hall/Boot Room with double aspect, Storage Cupboard, part glazed door to outside and sliding door to the Integral Garage with up and over door, power and lighting.

From the Kitchen there is access through to a rear Hallway off which is a contemporary fully tiled Bathroom including a freestanding modern side filling bath, shower cubicle, close coupled wc, vanity washbasin and chrome wall mounted towel radiator. Adjacent is a downstairs Bedroom with double aspect.

On the first floor off a Landing is a Master Vaulted Bedroom with double aspect, Velux window and door to a fully tiled En Suite Shower Room with large walk-in shower cubicle, chrome wall mounted towel radiator, close coupled wc, modern vanity unit, bathroom cabinet with side mirror and courtesy lighting; two other Bedrooms; and a Separate WC with close coupled wc and vanity washbasin
