There is a junction to the A30(T) at Innis Downs Roundabout 2 miles to the north and the town of St Austell, with a station on the London Paddington line, is only about 3 miles to the south.

INTRODUCTION

7 Rosevear Meadows is superbly presented to the open market with some superb rooms and viewers will appreciate the qualities on offer. Today, 7 Rosevear Meadows is occupied as a three-bedroom dwelling. However, the house was originally designed as a four-bedroom dwelling and, as shown on the floor plan, there is therefore good potential to recreate a separate fourth bedroom if desired.

The property benefits from an EV charger, a central heating system via heat pump, and 14 photovoltaic panels with a 5kw battery, all of which combine to be reflected in its EPC rating Band A.

There is dedicated parking to the front for several vehicles and at the rear is an enclosed dog and family friendly garden – the garden being a particular feature of the sale.
