An immaculately presented two double bedroom end of terrace home, thoughtfully designed for modern living and offering a wonderful sense of space and light throughout. The property welcomes you via a neatly arranged entrance hall, with the added convenience of a ground floor WC, before flowing through into a comfortable and inviting sitting room, perfect for relaxing at the end of the day or hosting friends and family. To the rear, the home truly comes into its own with a sociable kitchen/dining room that naturally lends itself to everyday living, whether that be cooking, dining or entertaining. Double doors open directly onto the garden, allowing natural light to pour in, and adding to the wonderful social appeal the property offers. Upstairs, two well-proportioned double bedrooms provide calm and restful retreats, both offering flexibility for sleeping, working from home or accommodating guests, and are served by a neatly appointed family bathroom. The overall layout has been carefully considered to provide a home that feels both functional and welcoming in equal measure.

The rear garden has been thoughtfully landscaped to create a low maintenance and highly usable outside space, ideal for modern day living. The garden has been laid predominantly to decorative stone, offering a clean and open feel while requiring minimal upkeep, making it an excellent option for those seeking a practical and easy-to-manage outdoor space. To the rear of the garden is a paved patio area that makes the most of the evening sun and the perfect spot for a summer BBQ. The boundaries are enclosed by recently installed timber fencing, providing a good degree of privacy and a smart, contemporary finish. Raised sleeper beds have been carefully introduced, adding a touch of colour and interest. The garden enjoys a pleasant, enclosed aspect and benefits from side access via a timber gate, adding to its overall convenience, adding providing access to the allocated parking to the rear. Altogether, the garden complements the property beautifully, offering a neat, private and functional outdoor area that can be enjoyed throughout the year. The front is laid to decorative stone with planted shrubs to either side of the front door, with a path leading to the main entrance.

Brunel Way is a modern cul de sac, a short walk away from Sainsburys, and the mainline railway station, offering direct links to Bristol, Bath, London, and the West Country. The centre of the village is within easy reach, offering a range of shops, hairdressers, pharmacy, post office, school, and bakery.
