DESCRIPTION

As its name so aptly suggests, 'The Lookout' enjoys a commanding, southerly facing position, perfectly oriented to capture truly spectacular panoramic views across the creek. Its elevated setting ensures these vistas are maximised to their full potential, creating a constant connection with the surrounding waterscape.

The accommodation is elegantly arranged in a classic yet highly versatile arrangement. To the first floor are three beautifully proportioned double bedrooms, all benefiting from water views, most notably the two principal front facing rooms, where striking angular windows frame the enchanting outlook to dramatic effect. These are served by a well appointed family bathroom.

The ground floor forms the heart of the home, centred around an impressive 36-foot open-plan kitchen and dining space. Finished with rich oak flooring, this area is both stylish and functional, featuring an extensive range of cabinetry and an Aga, ideal for both everyday living and entertaining on a grander scale. Radiating from this central hub is a thoughtfully designed collection of versatile reception and ancillary spaces, including an entrance hall with adjoining utility/w.c, a boot room or occasional bedroom, and a superb principal sitting room with log burner and an adjoining garden room that seamlessly connects the indoors with the surrounding landscape. A further snug lounge equally suited as a ground floor bedroom along with a contemporary shower room/w.c and an additional garden room, provide exceptional flexibility for modern living.

The property has been meticulously maintained and presented to an exacting standard throughout. Only an internal inspection can fully appreciate the quality, attention to detail, and unique lifestyle offering this exceptional home provides.

OUTSIDE

Behind private gates, the driveway opens onto an impressive plot of approximately one third of an acre, offering a sense of exclusivity and seclusion. The beautifully landscaped grounds are predominantly laid to lawn, framed by impeccably curated borders rich with established trees, ornamental shrubs, and vibrant seasonal planting. Winding gravel pathways meander gracefully through the gardens, enhancing both its charm and usability.

To the front, an elegant decked terrace provides a superb vantage point, perfectly positioned to capture far reaching views over the creek and beyond, an exceptional setting for alfresco entertaining or quiet relaxation.

The rear garden has been thoughtfully designed as a series of distinct outdoor seating spaces. A raised terrace, partially finished with decorative chippings, centres around an ornamental fish pond, creating a tranquil focal point. Beyond, an expansive decked area offers an idyllic space for sunbathing and outdoor dining in complete privacy.

Further enhancing the grounds is a substantial timber store/ tool shed, all surrounded by an abundance of carefully selected planting that ensures year-round colour and interest. Additionally a detached garage, complete with a roller door and a separate personal side door, is fitted with workbenches, providing excellent practicality tastefully tying in alongside the property's refined aesthetics.
