THE PROPERTY

3 The Walled Garden is a very attractive, much improved and well presented, semi-detached cottage style house, in a very sought after and exclusive private and peaceful setting, within easy reach of Bridport town centre. It was traditionally built by Parker Homes, in 2003, with brick-faced elevations and under the current ownership the property has been very well maintained and benefits from a substantial two-storey rear extension.

The accommodation is very spacious and enjoys distant country views and backs onto Allington Hill. There is a host of character style features including exposed beams, a large brick and beamed fireplace, exposed floorboards and cottage doors.

The well appointed features include gas-fired central heating, uPVC sealed unit windows including bi-folding doors off the living room, fitted kitchen with Neff appliances (electric double oven, gas hob, pull-out extractor fan and integrated dishwasher), attractive bathroom/shower room fittings, security alarm system, built-in wardrobes to all of the bedrooms and low maintenance tiled flooring to the hall, dining room area, utility and cloakroom.

The accommodation extends to:

Ground floor – Canopy porch, reception hall, living room, additional reception/snug area, kitchen/dining room, utility, cloakroom.

First floor - Large landing, principal bedroom with en-suite shower room, second bedroom with Juliet balcony and en-suite shower room, bedroom 3, family bathroom.

The property also benefits from a double garage plus parking and very attractive landscaped gardens, designed for easy maintenance

OUTSIDE

Very nearby double garage with parking to front.

Attractive front gardens down to pea shingle with terrace and a whole variety of evergreen shrubs plus brick retaining walls and paved steps. Side pedestrian gate. The rear garden is principally arranged on two levels plus a side area and, again, down to pea shingle with paving. The higher level, reached by steps, is a real suntrap and enjoys distant country views.

SITUATION

The Walled Garden is a very attractive and private close of just four properties, forming part of the very sought after residential development of West Mead. It is very conveniently located on the western side of Bridport, within easy reach of the town centre and close to open countryside. Bridport town centre is just half a mile's flat walk from the property and there is a bus stop just a short distance away.

Within the town there is a broad variety of shopping, leisure and cultural amenities to suit many tastes, including a twice weekly street market, art centre, leisure centre and thriving streets of independent and national retailers including a Waitrose supermarket. Bridport was voted, by The Sunday Times in 2026, as one of the best places to live in the UK. It lies within an area of outstanding natural beauty (AONB) and the stunning World Heritage Jurassic Coast is just a few miles away at West Bay.
