SITUATION

St. Leonard's Quarter is a beautiful new collection of 1 to 5 bedroom homes and apartments, located in the popular and highly sought-after St. Leonard's area, in the heart of Exeter.

These bespoke homes will offer a high-quality specification and access to landscaped green space. Designed with energy-efficiency in mind, the homes achieve EPC ratings of A and B with energy-saving appliances, triple glazed windows, PV panels†.

Situated just a few minutes from the River Exe, Exeter city centre and the Royal Devon and Exeter Hospital, the new homes benefit from a suburban position with all the comforts of the centre.

DESCRIPTION

An incredible 4 bedroom house featuring a spacious contemporary design. The open plan kitchen/dining/living area features over-sized floor-to-ceiling sliding doors, leading to a private garden and allowing plenty of natural light to come into the room.

The property benefits from 3 double bedrooms, with an en-suite to bedroom 1 and an additional 4th room that can be used as another bedroom or study.

The house is complete with plenty of storage space, a utility, a garage and 1 allocated parking space.

The energy-efficient home is EPC rated A, with Solar PV panels, underfloor heating to ground floor, high-performance window system, energy-saving appliances, smart meters and low-energy lighting – An EPC rating of A or B makes your new home cheaper to run, cutting the average energy bill by £421 per year, so 21% lower. ^

^Indicative Figures based on HBF "Watt a Save" report published February 2026.

OTHER CONSIDERATIONS

PV panels
