25 Market Place and 2 The Shambles

Situated in the heart of the Market Town of Chesterfield, the premises provide retail frontage to the main Market Place which has just undergone extensive refurbishment, benefitting from excellent footfall and visibility.

Having previously been occupied as a pharmacy, the premises are ideally suited to a continuing retail use, or alternatively would work well as an office space, beautician, salon or potentially a takeaway/ restaurant fronting on to the Market Place. Security is excellent with electrically operated shutters and an alarm system.

The upper floor offices provide an excellent extension to the space, providing opportunity and flexibility for an occupier to take the whole space. The offices are well presented and provide scope for alternate uses such as treatment rooms if so desired.

The space can be split to take the space separately as required – please see our other listings or contact our office to discuss your requirements.

A viewing is essential to appreciate the accommodation on offer.
