## **Other Disclosures**

An "Article 4 Direction" (A4D) in planning law is a mechanism that allows a local council to remove certain permitted development rights for a specific area or property. This means that developments which would normally be permitted without needing planning permission, such as minor alterations or changes of use, now require a planning application and permission from the council.

No other Material disclosures have been made by the Vendor.

This Material Information has been compiled in good faith using the resources readily available online and by enquiry of the vendor, on the 19/06/2026. However, such information could change after compilation of the data, so Laceys cannot be held liable for any changes post compilation or any accidental errors or omissions. Furthermore, Laceys are not legally qualified and conveyancing documents are often complicated, necessitating judgement on our part about which parts are "Material Information" to be disclosed. If any information provided, or other matter relating to the property, is of particular importance to you please do seek verification from a legal adviser before committing to expenditure.
