Location

On the banks of the River Great Ouse, and dating back to Saxon times, Downham Market is one of Norfolk's oldest market towns. The attractive marketplace is immediately identifiable by its majestic black and white clock. High grade transport links serve Downham having easy access to the M11, A10 or A1 from the south and the A47 and A17 from the Midlands and the North. A fast, reliable local transport network connects the region quickly and efficiently – further positioning Downham as a key contender for professionals and families looking to commute to the larger cities with direct trains from the town's mainline station running to Cambridge every half an hour in 38 minutes, Peterborough in 1 hour and London Liverpool Street on the hour, at 1 hour 30 minutes. The region connects to both domestic and international locations via Norwich International airport an hour away and London Stansted at 1 hour 30 minutes.
