A well-presented family home with a generous, established garden and lying a short walk from schools and bus services into the city centre. No onward chain.

Council Tax Band: B

This fine property, solidly built in the early 1950's by the local authority, offers very comfortable and spacious accommodation in Whipton, with good local amenities and easy access to the city centre.

The house has been completely redecorated, with new carpets and flooring throughout and benefits from gas central heating in uPVC double glazing. The kitchen and shower room are in clean and tidy order and offer scope for remodelling and refurbishing to taste. The kitchen has a large adjoining utility room which could be incorporated within the room, subject to building regulations, to make a great kitchen/dining room, ideal for family use. The adjoining sitting room is a good size and with a new fire installed in the future would make a very comfortable living room with space for a play area at one end.

Upstairs, there are three generous bedrooms, two with built in cupboards/wardrobes, and from the

landing, a separate toilet and shower room, with cupboard storage.

Outside, the house is approached by an easy to maintain, paved front garden leading to the front porch, or the door to one side, leading to the utility room. At the rear of the house, a large, paved patio with raised border beds, with established shrubs and palm trees, gives way to the lawn and a gravel sitting area, with a garden shed to one side.
