SITUATION

Located in one of Tiverton's most popular roads with very close access to Blundell's School, this is the ideal home to access all the amenities that the town offers, including walking distance of Blundells School and the town centre just 0.8 miles distant.

Junction 27 of the M5 is 5.6 miles distant, alongside which lies Tiverton Parkway Train Station, offering services to London Paddington within 2 hours. The cathedral and university city of Exeter lies 15 miles to the south providing a wider range of amenities and services, including an international airport.

DESCRIPTION

This excellent detached house probably built in the 50s, has exceptionally wide frontage and stands in large gardens and enjoys a good degree of privacy. The property would benefit from some modernisation and if offered for sale with no chain.

The property presents spacious rooms with architectural features of its period and later extensions. In particular the light and roomy sitting room with large semi circular bay windows overlooking the garden. The unusually large gardens provide ample space for recreation, as well as offering potential for further extension, or even another dwelling subject to necessary consents.

ACCOMMODATION

The front door opens into an entrance porch and then onto a large reception hall, off which is a cloak room with further wc beyond. From here a turning staircase rises to the first floor, along with access to the adjoining study, with windows overlooking the front and side. The sitting room overlooks the rear garden. A dining room opens into a conservatory, giving garden access and an open outlook. Beyond the dining room the kitchen has a range of fitted units and has an outlook over the garden. From the kitchen a rear passage opens to a large utility room, cloakroom with WC and store.

On the first floor a large galleried landing and passage give access to all rooms, with bedroom four being accessed from bedroom three. The landing could potentially provide ample space for a staircase to a potential loft access or possible conversion, subject to the necessary consents. The master bedroom has a large ensuite bathroom, previously this was converted from a former double bedroom and could be potentially reinstated if required. Bedrooms two and three are served by a bathroom and seperate shower room.

OUTSIDE

A wide tarmac drive sweeps in from the road, leading around to the front of the house and providing parking for several cars. A single garage lies to the side of the house with a further double garage tucked away to the right of the entrance, with a remote control electric door.

The house lies surrounded by gardens, with the majority to the rear. Lawns with inset shrubs and trees sweep around the sides from the front. To the rear, the garden is mainly well maintained lawns with shrubs and trees to one side. The rear garden enjoys a good degree of privacy and is surrounded by hedging and fencing. In all the whole plot extends to 0.62 acres.
