Ideal for families seeking comfort, practicality and versatile living space.

Front Yard / Driveway

The home begins with a practical yet welcoming frontage, offering a neat driveway with space for off-road parking and access to the garage. There's a clear sense of arrival here — a tidy approach that sets the tone for a well-kept interior and provides everyday convenience for busy households.

Garage

A reliable, secure garage sits alongside the property, ideal for parking, storage, or hobby space. Whether used for tools, bikes, seasonal items or a vehicle, it adds valuable flexibility to the home.

Hall

Stepping inside, the hall offers a calm, uncluttered introduction to the property. With room to hang coats and remove shoes, it creates a natural pause before the home opens into its main living areas.

Lounge

The lounge is a comfortable, inviting space, which is perfect for relaxing at the end of the day. A generous window draws in natural light from the front of the property, while the layout lends itself to cosy evenings, family time, or quiet moments.

Downstairs W/C

A handy ground-floor WC sits just off the hall, offering everyday practicality for guests and family.

Kitchen / Dining Room

The heart of the home, this open kitchen/dining space blends cooking, dining, and socialising effortlessly. The kitchen offers ample worktop space and storage, while the dining area easily accommodates a family table, ideal for weeknight meals, weekend gatherings, or entertaining friends. With access to the rear garden via double French

doors.

Utility

Tucked neatly to one side, the utility room keeps laundry and household tasks out of sight. With space for appliances and additional storage, it helps maintain a clean, organised feel throughout the main living areas.

Stairs / Landing

The staircase rises gently to a bright landing that connects the bedrooms. It offers a sense of openness and provides a natural flow between the private rooms.

Bedroom One

A peaceful main bedroom designed for rest and retreat. Its generous proportions allow for a full bedroom suite, while the atmosphere feels calm and restful. This bedroom also features a private en-suite for added convenience.

En-Suite

The en suite adds a touch of luxury, offering a private shower room with modern fittings. It's a practical and comfortable addition that enhances the main bedroom's appeal.

Bedroom Two

A well-sized second bedroom, ideal as a double room, guest space, or older child's bedroom. Its balanced layout makes furnishing easy and versatile.

Bedroom Three

Another comfortable bedroom that works beautifully as a child's room, home office, or hobby space. Its proportions offer flexibility for changing needs over time.

Bedroom Four

A fourth bedroom completes the upper floor — perfect for families needing extra sleeping space, or for use as a study, dressing room, or creative workspace.

Family Bathroom

The main bathroom serves the household with a clean, modern suite. Whether it's a quick morning routine or a relaxing evening soak, the space feels fresh and functional.

Rear Garden

To the rear, the garden offers a private outdoor escape — Direct access from the kitchen allows for indoor/outdoor living, summer dining, children's play, or simply enjoying the sunshine. With room for seating, planting, or personal touches, it's a lovely extension of the home's living space.
