A paved and gravel pathway leads seamlessly around the entire property, offering both practicality and charm, while a raised vegetable patch provides an ideal space for those with green fingers.

Further enhancing the garden's appeal are a greenhouse and summerhouse, perfect for gardening enthusiasts or as additional retreat spaces.

Access is well considered, with side gates on both sides of the property leading to the front, along with a rear access gate and a door providing convenient entry into the garage.

Outside lighting adds to the usability and ambience of the space, while open views towards the surrounding hills offer a delightful backdrop, completing this beautifully arranged and versatile garden.
