THE PROPERTY

Stonehaven Barns is a very select and exclusive development of just four new build barn conversions, in a lovely private and exclusive edge of village location, close to open countryside. The properties have been architect designed and newly converted to a very high standard from former farm buildings, having attractive Scandinavian larch cladding elevations.

No. 2 will be sold with the benefit of a 6-year structural warranty with effect from June 2025.

The spacious and well planned accommodation offers many contemporary design features including high vaulted ceilings and deep windows, with a generous net floor area of 1,350sqft.

The property has been completed to a very impressive specification and offers impressive high energy saving credentials.

The many excellent features include air source underfloor central heating, sealed unit windows and bi-folding doors, well equipped contemporary kitchen with comprehensive appliances (electric oven, electric induction hob, integrated dishwasher), attractive contemporary bathroom/shower room fittings, oak veneer internal doors, LED low energy downlighters, multi-fuel stove to the living room, low maintenance luxury vinyl flooring and fitted carpets, plus extensive TV, telephone and data points.

The property also benefits from landscaped gardens, carport with very useful storage shed and allocated parking.

The rear garden backs onto woodland/copse, under the seller's ownership and part or whole is available by separate negotiation.

Viewing of this stunning contemporary new home is strongly recommended by Stags.

OUTSIDE

Stonehaven Barns are approached over a long driveway leading to a turning and parking courtyard.

Single oak-framed carport with large timber store shed below.

The property has a gravelled front area together with porcelain paths and side pedestrian access. The rear garden is fully enclosed with a full width adjoining porcelain terrace onto a good sized lawn.

In the woodland there is a very secure storage unit/workshop with CCTV in place, the unit is roughly 10m x 6m and has its own water mains supply in the woodlands and an additional mains water supply in another location of the woods, the property runs of its own 3 phase electricity. It has vehicular access from its own private track off Stonehaven Barns and also off Stonage Lane.
