The accommodation is entered via a welcoming hallway with a conveniently positioned downstairs cloakroom. A particular feature of the property is the spacious through lounge, providing ample room for both living and dining areas, with French doors opening directly onto the rear garden. An opening from the reception room leads through to the kitchen, which is fitted with a comprehensive range of wall and base units providing plenty of storage and preparation space. Off the kitchen is a useful separate utility room, which in turn provides direct access to the integral garage.

Externally, the rear garden has been designed with ease of maintenance and entertaining in mind. Immediately adjoining the house is a decked seating area, ideal for outside dining, with the remainder of the main garden laid with AstroTurf. To the rear of the garden is a further entertaining area, providing an additional space for seating, barbecues and socialising.

To the front of the property, a brick-paved driveway provides off-street parking and access to the integral garage.
