

ABOUT THE PROPERTY

This deceptively spacious and well-presented four-bedroom home combines modern touches with charming character features to create a versatile living space.

The property briefly comprises a welcoming sitting room featuring a log burner set within a brick surround, together with a fitted media unit, while the generously sized kitchen provides an excellent space for everyday family living. A separate utility room and ground-floor WC add further practicality. To the first floor are four well-proportioned bedrooms, two with fitted wardrobes, along with an impressive shower room featuring a large walk-in shower and twin wash basins. Bedroom three is currently used as a music studio, offering flexibility for use as a bedroom, home office or hobby space. Outside, the property enjoys an attractive, low-maintenance rear garden offering a high degree of privacy. It is one of the few properties on the street without another garden directly backing onto it, creating a particularly secluded feel. Established planting and multi-level paved seating areas provide an inviting space for outdoor dining and entertaining. Practical storage is well catered for with an outside brick-built store and two large sheds. To the front, the house overlooks the green, providing a pleasant open aspect and enhancing the appeal of its setting, with on-street parking available. A private passageway runs alongside the house, providing convenient external access to the rear garden, as well as useful additional undercover storage.

This appealing home would make an ideal first-time purchase, while also offering excellent potential for a growing family. The generous loft space provides further potential, subject to the necessary permissions.

Situated within the popular Clifton area of York, the property is ideally positioned for local amenities and schools, while offering quick, convenient access to York city centre, York station, Clifton Moor, and the ring road.

Viewing is highly recommended.
