ABC Property Shop is pleased to present this tenanted one-bedroom terraced bungalow, offering an immediate investment opportunity within a well-established over-60s development.

Positioned within a quiet cul-de-sac, the property comprises a hallway, kitchen, spacious reception room, bedroom, and shower room. Externally, there is a stepped rear yard with patio area and a large front driveway.

With a sitting tenant already in place, this property provides instant rental income, making it an attractive addition to any investment portfolio.

Viewings are strictly by appointment only and further details on the tenancy can be provided - please contact our office to discuss.

Some images may be digitally edited, virtually staged, or AI-enhanced for marketing purposes. They are intended as a guide only and may not accurately represent the property's current condition. Prospective purchasers should verify all details through their own inspection.

Please Note: Any fixtures and fittings should be agreed upon with the seller. If ground rent or service charges apply, please have your solicitor confirm the details, as the information provided in this advert cannot be guaranteed. These details are intended as a general guide and do not form part of any offer or contract. Buyers should not rely solely on this information and are advised to carry out their own checks or inspections. No one working for this agency is authorised to make guarantees or promises about the property. All measurements are approximate, and we have not tested any equipment (such as gas, electrical, or heating systems), so buyers should ensure everything is in working order before making any legal commitments.

GIRAFFE360

Energy Efficiency Rating		
	Current	Potential
Very energy efficient - lower running costs		
(92+) A		
(81-91) B		88
(69-80) C	72	
(55-68) D		
(39-54) E		
(21-38) F		
(1-20) G		
Not energy efficient - higher running costs		
England & Wales	EU Directive 2002/91/EC	

The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.
