The county town of Taunton lies approximately six miles away, providing a wide range of facilities, mainline rail services and access to the M5.

ACCOMMODATION

The property is approached from the front via a useful entrance porch which in turn opens into a light and airy open plan kitchen/dining room. The kitchen is well appointed with a modern range of units, an electric hob with extractor over, integrated dishwasher, sink and drainer, together with space for a fridge/freezer. A generous utility room provides ample storage, space for white goods and a separate ground floor cloakroom. To the rear of the property is a comfortable sitting room enjoying a delightful outlook over the garden, with French doors opening directly onto the patio.

Upstairs are three large double bedrooms arranged over two levels. The principal bedroom is positioned to the rear of the property and benefits from fitted wardrobes along one wall and attractive rural views. The family bathroom is fitted with a modern suite comprising a bath, separate shower enclosure, wash hand basin and a radiator with towel rail.

OUTSIDE

Outside, the wrap around garden is a particular feature of the property. Designed with low maintenance and accessibility in mind, benefitting from a small area of lawn, the garden is predominantly laid to patio which weaves through a colourful array of established beds and borders stocked with mature shrubs and flowering plants. To the far end of the garden is a productive vegetable garden with raised beds, a greenhouse and a useful garden shed.

To the front, the property is served by a private driveway providing parking accessed via a five bar gate, with additional parking space available in front. An attached garage with up and over door and side access is equipped with power and light.
