Property

Entering the property via the side lobby that leads off the parking area we are welcomed into the perfect spot for our boots and coats after a spot of gardening or a countryside walk. A door from here leads into the kitchen. The kitchen offers superb proportions and enjoys a view onto the rear gardens. Two large pantry style cupboards are found along with a basic range of fitted units. Stepping to the front of the property we find the sitting/dining room. This generous room enjoys a large window looking to the frontage and filling the space with natural light. Two doors lead off, one to the entrance lobby where a large coat cupboard and utility/store room are found. The second door leads to the inner hallway where a double airing cupboard offers excellent storage. From here we find the two bedrooms. The larger is set to the rear looking onto the gardens, the smaller enjoys a view of the frontage. Completing the accommodation the wet room is set to the head of the inner hallway.

Outside

From the car parking area we directly approach the property over a path that leads to the side entrance lobby. At the front a path continues to the rarely used front door and we find a delightful array of planted beds and open lawned area. At the rear the garden is enclosed by a brick wall, the lawns are framed by planted border beds that fill the space with colour.

Location

This semi-detached bungalow is situated in the popular village of Ilketshall St. Lawrence, offering superb access to local market towns. The village is located a short drive from the amenities of Halesworth and provides excellent transport routes to Bungay and Beccles. The village itself features an active country pub and is within walking distance of the highly regarded Ilketshall St Lawrence Primary School.
