Property

Entering the property via the front door we are welcomed by the generous entrance hall where the feeling of space, superb natural light and standard of finish that flow throughout are all very apparent. A fitted coat cupboard sides one of the original fireplaces and a door opens to the ground floor cloakroom. Engineered oak floors flow from here into the two initial living areas adding to the feeling of space and continuity. To the right we find the sitting room, this cosy room enjoys a wood burning stove set in a red brick fireplace whilst dual aspect windows and impressive ceiling heights make this a bright and spacious feeling room. Stepping back through the hallway we enter the 'hub' of this family home. The impressive open plan kitchen/dining/living room extends to over 27.ft and offers the perfect spot for family living and entertaining alike. Light pours into the room from windows to both the front and rear aspect whilst doors from both the kitchen and living area open to the gardens. Our stairs rise to the first floor from here, and the living area is divided from the kitchen by a large island. The kitchen has been fitted with a modern yet classic range of units set against timber effect work surfaces. A fitted double oven, hob and extractor feature whilst below the sink we find an integral dishwasher. Space is made for a large fridge/freezer. To the front we enjoy the open meadow views. Completing the ground floor we step into the second reception room. This versatile space is currently a play room but offers a superb working space, studio or simply a second spot to relax. A window looks to the front aspect whilst a large cupboard houses the laundry appliances. Climbing the stairs we step onto the 'L' shaped landing. Directly ahead we find our first two double bedrooms which form part of the original cottage, both rooms take in the impressive views and offer ample double bed space. On the return we pass the airing cupboard and find the family bathroom. This generous space offers a bath and separate shower cubicle along with a wash basin and w/c. At the head of the landing the master bedroom completes the accommodation, this generous dual aspect room is again soaked in natural light and again offers delightful views to wake up to.

Outside

Leaving Ditchingham Dam a private roadway enters this delightful close and approaches the property immediately on the right. At the front of the property we find a generous parking area which leads up to both the front door and gated access to the rear gardens. Our eye is drawn to the stunning views beyond the brick and flint wall which looks over the open meadows and grazing land with a picture of Bungay as the backdrop. Stepping into the rear garden out of the French doors in the vast kitchen/dining/living area, we find a large patio spanning the rear of the property and further expanding the entertaining space during the summer months. A second door leads directly from the kitchen area. The garden itself is laid to lawn and enclosed by timber fencing which is framed with raised flower beds. A timber shed is in situ and we find the tank hidden behind timber panelling.

The property is ideally located a short walk, equidistant to Ditchingham Village and Bungay Town Centre, Bungay offers a good range of all the necessary amenities and shops, schools, antique shops, restaurants, The Fisher Theatre (now showing films) and leisure facilities including indoor swimming pool and golf club.
