THE PROPERTY

Ashmount is a very impressive and well appointed individual detached bungalow, in a lovely semi-rural country setting, on the Dorset border within just ten minutes' drive of Lyme Regis, Charmouth and Axminster. It was traditionally built in the 1970s with later additions, having classic red brick elevations with low maintenance PVC fascias. Under the current ownership since 2020, the property has been subject to extensive alteration and upgrading to a very high standard to create a very comfortable and spacious home.

The well appointed facilities include oil-fired central heating with updated boiler (can be converted to biofuel and with the balance of ten year guarantee), sealed unit windows and doors, very high quality German Poggenpohl kitchen with comprehensive units, breakfast bar and appliances (electric ceramic hob, electric oven, integrated microwave and dishwasher), quality upgraded bathroom and en-suite shower room, security alarm system, upgraded floor coverings with laminated wood flooring, part LED downlighters.

The accommodation is very well presented throughout, extending to over 1,300sqft, with kitchen/family room/dining room, living room, principal bedroom suite – dressing room, bedroom with en-suite shower room, two further double bedrooms, bathroom, boiler room, utility/WC.

OUTSIDE

Ashmount stands on a good sized level and secluded plot.

It is well screened from the lane and approached over a long tarmac driveway with extensive parking facilities, turning/parking space and access to the attached garage.

The front garden has been designed for ease of maintenance with stone chippings and there is adjoining paved terrace to enjoy the morning sun. The front garden had planning permission for an outside log cabin, which expired in November 2025, but we were assured if someone wanted to re apply/reinstate it shouldn't be a problem. To the side is an ornate pedestrian metal gate. The rear garden enjoys excellent privacy and a sunny west-facing aspect. Attractively laid out with areas of lawn and a wide variety of mature shrubs plus adjoining paved terrace with low walls, external power points and water tap.

SITUATION

Ashmount occupies a lovely private semi-rural setting off the country lane of Green Lane, on the eastern edge of Raymonds Hill, virtually on the Dorset border. Raymonds Hill is a semi-rural area and there are many lovely walking opportunities across the surrounding countryside. It is very well located within easy reach of the beautiful Jurassic Coast. The famous Regency resort of Lyme Regis and the lovely coastal village of Charmouth are both within just ten minutes' drive. The market towns of Axminster and Bridport are also within easy reach with the former having a mainline rail connection to London Waterloo.
