Situated in the highly regarded village of Onibury, near Craven Arms, this substantial semi-detached home comes to the market for the first time in 25 years. Offering approximately 2,131 sq ft of accommodation and occupying a generous plot of just under a third of an acre, the property combines character, space, and versatility in an attractive rural setting.

The ground floor provides excellent living accommodation, with two spacious reception rooms. The sitting room centres around an impressive fireplace with a log-burning stove and original bread oven, creating a welcoming and characterful living space. The formal dining room enjoys an abundance of natural light and features patio doors opening directly onto the garden, making it ideal for family gatherings and entertaining.

The spacious kitchen diner is fitted with a range of wooden units and includes a Bosch eye-level double oven, separate gas hob, and walk-in pantry. Offering ample space for cooking, dining, and everyday family life, it forms the heart of the home.

A conservatory running along the side of the property provides valuable additional space and could be used as a garden room, utility area, boot room, or pet-friendly entrance. Beyond this is a practical utility area with plumbing for a washing machine, together with a ground-floor WC and wash basin.

On the first floor, the principal bedroom is generously proportioned and enjoys attractive views over the rear garden, complemented by an en-suite shower room and fitted wardrobes. There is a further double bedroom again with fitted wardrobes, a third bedroom that would also work well as a study or home office, and a family bathroom.

Externally, the property stands within extensive gardens that offer plenty of space for recreation, gardening, or outdoor entertaining. An additional large piece of land was purchased, on which an attractive two-storey oak framed building was constructed. The country style building incorporates a carport and workshop at ground level with a substantial loft space above. The external staircase leading to the upper room was recently replaced. The building offers significant potential for a range of uses including a home office, studio, hobby room, guest accommodation, or workspace [subject to any necessary consents].

Viewing is highly recommended to appreciate the space, setting, and potential on offer.
