QUEENS ROAD WEYBRIDGE, KT13

ASKING PRICE: £700,000

Occupying the top floor of an impressive period building, this exceptionally spacious three-bedroom apartment offers nearly 1,400 square feet of accommodation, with fantastic proportions, high ceilings and an abundance of natural light throughout. The standout feature is the enormous reception room, measuring over 30ft in length, with large windows, original-style wooden floorboards and an exposed brick fireplace creating plenty of character. There is a separate kitchen alongside three genuinely well-proportioned bedrooms, with the principal bedroom benefiting from its own en-suite, plus a further family bathroom. Excellent built-in storage can also be found throughout.

While the apartment would benefit from some updating, the scale, character and layout provide an excellent opportunity for a buyer to create something particularly impressive. Further benefits include parking to the front, a private garage, communal gardens and no onward chain.

Positioned on Queens Road, the property is well placed for access to Weybridge and Walton-on-Thames, with the prestigious St George's Hill estate close by. The A3 is also within easy reach, providing convenient links towards London and the wider motorway network, while a good selection of shops, cafés, restaurants and everyday amenities can be found nearby.
