Designed around modern living, this light-filled three-storey home combines flexible spaces with a sociable kitchen/diner and a south-west facing garden made for long afternoons outside. The ground floor flows from a welcoming entrance hall to a contemporary open-plan kitchen/diner at the rear, with integrated appliances, generous storage and plenty of room for dining and entertaining. Patio doors open directly onto the garden, while the utility room and WC are neatly positioned away from the main living space. Upstairs, the first floor offers a comfortable sitting room, double bedroom and modern bathroom. The top floor provides the main bedroom, third bedroom and separate shower room, a layout that works equally well for families, guests or home working. Outside, there are paved and a raised decked seating area, lawn and established planting, alongside a generous driveway and garage.
